Oh oh
Oooh
No no no

(You know there are two sides to every story)

See, I don't, know why
You cryin like a bitch
Talkin shit like a snitch

Why'd you, write a song bout me?
If you really didn't care, you wouldn't wanna share
Tellin everybody just how you feel

Fuck, what I did, was your fault somehow
Fuck the presents, I threw all that shit out
Fuck all the crying, it didn't mean jack
Well, guess what yo, fuck you right back

Fuck, what I did, was your fault somehow
Fuck the presents, I threw all that shit out
Fuck all the crying, it didn't mean jack
Well, guess what yo, fuck you right back

You thought you could really make me moan
I had better sex all alone (ha ha ha ha)
I had to turn to your friend
Now you want me to come back, you must be smokin crack
I'm goin elsewhere and that's a fact

Fuck all those nights I moaned real loud
Fuck it, I faked it, aren't you proud?
Fuck all those nights you thought you broke my back
Well, guess what yo, your sex was wack

Fuck all those nights I moaned real loud
Fuck it, I faked it, aren't you proud?
Fuck all those nights you thought you broke my back
Well guess what yo, your sex was wack

Whoa, whoa
Uh uh yeah

Whoa, whoa
Uh uh yea

Whoa, whoa
Uh uh yea

Whoa, whoa
Uh uh yea

You questioned, did I care?
Maybe I would have if you woulda come to me
Now it's over
But I do, admit I'm glad I didn't catch your crabs
I can't sweat that cause I've got to go

Fuck, what I did, was your fault somehow
Fuck the presents, I threw all that shit out
Fuck all the crying it didn't mean jack
Well, guess what yo, fuck you right back

Whoa, whoa
Uh uh yeah

Whoa, whoa
Uh uh yea

Whoa, whoa
Uh uh yea

Whoa, whoa
Uh uh yea

You made me do this!
