Title: Fucked up once again

download from: <http://www.lyricsdisc.com>

Chorus:

Oh oh oh fucked up once again
No more rivers of blood
Taking over my dream of love
Feel a bit of poetry in my life
But it all could change in just one night

Chorus

Reoccurring nightmares disturb
Everyone who let´s them occur
The very same is true in life
So shed a little light to make it all right

Chorus

Seems some lessons are not learned
Repeat the course or you´ll return
Back to the part that was left out
Pieces of the part thrown all about

Chorus

Looks messed up once more again
Can´t cover it up won´t pretend
Have to return to a new start
Pick another direction
Now comes the hard part

Chorus

Fucked up never again
