Title: Ghouls Of Grandeur

---

Taking all to the extreme  
Four souls determined to be free  
This is something we believe in  
Don't you underestimate  
The will to drink & dominate  
This is something we take pride in  
A pure & unholy paradise  
We are here to dominate  
Like parasites eliminate  
The world you all consider holy

GHOULS OF GRANDEUR

Clenched fists blood & piss  
There is no other way around  
This shit lives inside us  
In our blood  
Right down to the last drop

GHOULS OF GRANDEUR

Taking all to the extreme  
Four souls determined to be free
