---

He drives a g wagon  
And he looks just like my dream  
I been climbin' all his mountains  
I been swimming all his seas

No matter what or how i trie  
I couldn't get the man to fall in love with me  
Turns out he likes girls with long and wavy hair  
Mine is short and kinky  
I have lost my mind

Chorus:  
C?mon and  
Gimme all your lovin'  
Or i will kill you  
Put one through your head  
Gimme all your lovin'  
Or i will kill you  
And cry when you're dead

His whole body was shaking  
And he holla'd when he fell to his knees  
I held tighter to my ask  
He said, "please, please whatever you need?"  
See i have searched the wide world  
To find the peace for the war in me  
Don't wanna look no further  
But you refuse to give it to me.

And i have lost my mind!

Chorus

It's amazing what a gun to the head can do  
My baby loves me now as hard as he can  
My methods may be suspect  
But you gotta gte love however you can

I have lost my mind!
