

VERSE 1

I was walking down the street one day
Then I saw you I didn't know what to say
You're eyes were shining
Your smile was so kind
When I saw you I wanted you to be mine

CHORUS

Maybe I don't have the blonde hair you like
Or maybe I don't have eyes like the sky
And I'm not sure if I'm the girl in your dreams
But I can show you what love means

VERSE 2

One day you came and talked to me
And you said we are meant to be
I was happy, everything was so nice
But then I found out that everything was a lie

CHORUS

BRIDGE

How could you do this to me
You said we are meant to be
You showed me how to cry
When you told me that everything was a lie

CHORUS

Love means...
(I don't have eyes like the sky)
Love means...
(I'm not the girl in your dreams)
Love means...
Na na na, na na na
Love means.
