Title: Glad and Sorry

(Ronnie Lane)

Thank you kindly  
For thinking of me  
If I'm not smiling  
I'm just thinking

Glad and sorry  
Happy or sad  
When all is done and spoken  
You're up or I'm down

Can you show me a dream  
Can you show me one that's better than mine  
Can you stand it in the cold light of day  
Neither can I

(repeat)
