

I used to think that you were someone else  
Then I'd lose my mind each day  
I used to think that I could help myself  
But it's true  
what they say  
There is no reason without a way  
This is

Good Bye to you and Me  
what a good friend you've been to me  
and I owe it all to you  
every good thing that I do is you

I used to wish that I was someone else  
then I'd dream away the day  
those dreams have made me into someone new  
and it's true what they say  
there is no better time than today  
if this is

Good Bye to you and Me  
what a good friend you've been to me  
and I owe it all to you  
every good thing that I do is you

I am here  
I need to say  
that I will miss you  
everyday  
and it's true what they say  
there is no better time than today  
if this is

Good Bye to you and Me  
what a good friend you've been to me  
if this is  
Good Bye to you and Me  
well what good friends we will always be  
and I owe it all to you  
every good thing that I do is you x 2  
it's you

Every good thing that I do is you  
it's you

every good thing that I do  
well I owe it all to you  
every good thing that I do is
