

(Verse 1)

We stay moving around solo, Ask us where you at
We don't know I don't care all we know is we was
At home 'cause you left us there, You got your clothes
And got gone and left us all alone
Now she is the club with a freaky dress on
Cat's don't want her to keep that dress on
Tryna get enough drinks in her system
Take her to the telli and make her a victim
But you don't remember ballin' right in my face
Straight in the spot, She's just another cat

(Chorus)

Easy for a good girl to go bad
And once we gone best believe we gone forever
Don't be the reason
Don't be the reason
You better learn how to treat us right
'Cause once a good girl goes bad we gone forever

(Verse 2)

He staying with a flock of 'em, Oh yeah
Got a girl at home but he don't care, Won't care
All he do is keep me home won't let me go no where
He thinks because I'm at home I won't be getting it on
And now I'm finding numbers in your jacket pockets
Tricks calling the house now stop it
Getting outta control, Finally I can't take no more
He's finds a letter on the stairs saying this is the end
I packed my bags and left with your best friend, Oh

(Chorus)

Easy for a good girl to go bad
And once we gone best believe we gone forever
Don't be the reason
Don't be the reason
You better learn how to treat us right
'Cause once a good girl goes bad we gone forever

We stay moving around solo, Ask us where you at
We don't know I don't care all we know is we was
At home 'cause you left us there, You got your clothes
And got gone and left us all alone

(Chorus)

Easy for a good girl to go bad
And once we gone best believe we gone forever
Don't be the reason
Don't be the reason
You better learn how to treat us right
'Cause once a good girl goes bad we gone forever
