once you were an angel
jesse honey is it hard to take
does it feel so bad to be 28 you were 23
and you could do anything now you open your mouth
and spit the gutter out
i was walking down by the river thames
i decided that i should throw me in
because you broke my heart and you made me weep
in the name of your sensitivity
still once you were an angel
did nobody tell you jesse honey oh you look so pale
and old and so very ill at ease these days
so you tell yourself that you
