Title: Half Way Tree (Interlude)

download from: <http://www.lyricsdisc.com>

Yow! You can imagine that some people never see a coconut tree?

Some people never even see a lizard, or a donkey, a yam hill, a river you nuh?

Well where I come from, yuh know I mean, where we can hear the birds in the morning time yuh understand. Wake-up and go get up and go do some running and thing sometime

So that is why this is 'Half Way Tree' cause this is where, this is where the sewers will meet the rivers yu know? And the skyscrapers will meet the mountains. You know what I mea
