

Don't spit on me and shame yourself
Because you wish you were someone else
You look so clean but you spread your dirt
As if you think that words don't hurt
You build up walls no one can climb
The things you do should be a crime
You're the queen of superficiality
Keep your lies out of my reality
And when you're nice it's just a pose
You're one of those

Chorus:

Haters
Traitors to the human race
Haters
What a drag, what a waste
I'd like to see them disappear
They don't belong anywhere
Haters
Haters

Spining a web that's hard to see
Of envy, greed, and jealousy
Feelin' angry but you don't know why
Why don't you look me in the eye?
You want my friends, you want my clothes
You're one of those

Chorus

Haters
Haters

Different life forms, different species
Broken promises and treaties
Talkin' 'bout exterminating
Not the haters, Just the hating

You say your boyfriend's sweet and kind
But you still got your eyes on mine
Your best friends got her eyes on yours
It all goes on behind closed doors
And when you're nice it's just a pose
You're one of those

Chorus

Haters
Later for the alibies
Haters
Any shape, any size
I'd like to see them disappear
They don't belong anywhere

Haters
Traitors
Haters
Haters
Haters
Haters
Haters
