

(Verse 1)

The greatest gift of man from the Father  
Would change us all in ways we've never seen  
Yet His first moments were in a manger  
And soon every living thing would call Him King, yes they would  
Though we didn't know it then  
We soon would understand  
That His life would reveal God's perfect plan

(Chorus)

He's not just a man  
He is God  
And He is not just a baby  
He is King  
No He is not just a lamb  
But the Lion of Judah  
Savior and Ruler of all

(Verse 2)

We've tried our very best to perceive Him  
Sometimes I think it was beyond our reach  
Well I guess that's why He asked us to receive Him  
With a childlike heart only believe  
And I hear Him ask again  
Who do men say that I am  
And I feel the need to make the whole world see

(Repeat Chorus 2x)

(Vamp)

But the Lion of Judah  
Savior and Ruler of all  
(Repeat)

He is not just a man
