

He makes me feel so whole
He's the keeper of my soul
He's the oxygene I breathe
He's the one big missing piece

He's my thunder, he's my storm
He's the flame that keeps me warm
He's my ever rolling stone
He's my wilderness and home

He's my shore, he's my sea
He's my lust and agony
He's my saint and he's my thorn
He's my everything and more

Du bist Frieden, du bist Krieg
You're my triumph, my defeat
Sei mein Feuer und mein Eis
You're my hell, my paradise

Du mein Stern, meine Nacht
meine Demut, meine Macht,
Sei Erlösung, sei mein Fluch
Sei mein Siegel, sei mein Buch

Corazón de león
Es tan fino asesino
Es tan malo y tan frio
Pero mio, mio, mio

Mi amor, gran dolor
natural, me hace cantar
es como un niño pero fuerte
yo lo quiero hasta la muerte

Hace recar, maltratar
Disfrutar y llorar
Es un dios, es mi voz
Es mi paz y mucho mas

Now he's gone, now he's past
I just couldn't let it last
It's so hard to say goodbye
Though I try and try and try
