

She eyes me like a pisces when I am weak
I've been locked inside your Heart Shaped box, four whole weeks
I've been drawn into your magnet tar pit trap
I wish I could eat your cancer when you turn black

Hey!
Wait!
I've got a new complaint
Forever in debt to your priceless advice

Meat-eating orchids forgive no one just yet
Cut myself on Angel Hair and baby's breath
Broken hymen of your highness I'm left black
Throw down your umbilical noose so I can climb right back

Hey!

Forever in debt to your priceless advice
