

Lets go ya'll

These people are running off at the mouth
Tryin to convince me that I'm running on empty
Tryin to convince themselves that the record with Jay was a fluke
That the record that I'm makin is a mistake
and I cant take this
Lemme tell you where I'm at with this
You bastards are gonna have to take back that shit
I'm not plastic and fake
When I make tracks I take facts and lay them out for the masses
You assholes are gonna see soon that I'm not playin
And start askin me the names that I'm not sayin
But I'm tryin to be bigger than the bickerin
bigger than the petty name callin
under the breath talkin
rumors and labels and categorization
I'm like a struggling doctor, No patients
But you can say what you want about me
keep talkin while I'm walkin away
(Bitches)

You can say what you have to say
'cause my mind's made up anyway
I'm taking the high road going above you
this is the last time that I'm gonna trust you
You can say what you have to say
'cause my mind's made up anyway
all that bullshit you talk might work a lot
but it's not gonna work today

You people are running off at the mouth
Tryin to make me take myself off safety
Tryin to make my friends turn their backs on the team we built
buildin up some mistaken information
and I cant take this
Lemme spell it out plain for you
angry groups complain about the things we do
I'm not changing direction, I'm stepping my game up
Maintainin my name, the same way I came up
You're gonna see that I'm not playin
and start asking me the names that I'm not sayin
but im tryin not to mention the names of people who wanna siphon attention
You like the hype of pretendin you're part of the picture won't pass
You're like a high school dropout, no class
You can say what you want about me
keep talkin while i'm walkin away
(bitch)

You can say what you have to say
cuz my mind's made up anyway
I'm taking the high road going above you
this is the last time that I'm gonna trust you
You can say what you have to say
cuz my mind's made up anyway
all that bullshit you talk might work a lot
but it's not gonna work today

Why does it always have to be
Somebody's always watching me
All I really need is some room to breathe
Is anybody out there listening?
Cuz I cant stand to keep this in
All I really want, I'll say again

You can say what you have to say
cuz my mind's made up anyway
I'm taking the high road going above you
this is the last time that I'm gonna trust you
You can say what you have to say
cuz my mind's made up anyway
all that bullshit you talk might work a lot
but it's not gonna work today
