

We don't have time left to regret
Hold On
And, we'll take more than common sense
Hold On
Don't stop your wondering, take a stand
Hold On
There's more to life than just to live
Hold On

Cause an empty room can be so loud
There's so many tears, to drown them out
So, hold on
Hold On
Hold On, hold on

One single smile, a helping hand
Hold On
It's not that hard to be a friend
Hold On
So, don't give up, stand till the end
Hold On
There's more to life than just to live
Hold on

Cause an empty room can be so loud
There's so many tears, to drown them out
So, hold on
Hold On
Hold On, hold on
When you love someone, and they break your heart
Don't give up on love, have faith, restart
So hold on, hold on
Hold on, hold on

When we're miles apart
And, your feeling lost
All your hope is gone
Don't forget to hold on
Hold on

Cause an empty room can be so loud
There's so many tears, to drown them out
So, hold on
Hold On
Hold On, hold on
When you love someone, and they break your heart
Don't give up on love, have faith, restart
So hold on, hold on
Hold on, hold on

Cause an empty room can be so loud
There's so many tears, to drown them out
So, hold on
Hold On
Hold On, hold on
When you love someone, and they break your heart
Don't give up on love, have faith, restart
So hold on, hold on
Hold on, hold on
