

Need nobody's ever had
.. beat persuration
.. smudger
don't you worry about that

[Chorus]
Holding my own hand
holding it so hard
Holding my own hand

I believe ..
noiseless
get ride of the mess
..
and if the man in the bush will show up
I hit him ..
I'm sick and tired of that
..

[Chorus]

The .. must get me
The .. must shed me
The .. is here
Oh honey but ..

[Chorus]

Do not count the years
..
.. I do, I do

The .. must get me
The .. must shed me
The .. is here
Oh honey but ..

Do not count the years
..
.. I do, I do
