Title: Hole in my soul

---

It's a hot summer day and it's starting to rain,  
I'm taking the next train home,  
I've been waiting all day but what can I say,  
I shouldn't even be here at all.

Just seventeen years old and no lady I'm told,  
Just legs that go on for miles,  
In the chill of the night she took me inside,  
That's when she sealed my fate.

I lie awake, I can't find my way home,  
She hesitates, then makes me wait  
I'm drowning with emotion,  
Who's gonna help me now.

Chorus:

There's a hole in my shoe where the rain gets in,  
There's a hole in my life where you've once been,  
Got a hole in my heart where the pain creeps in ,  
There's a hole in my soul

At the end of the day, in some old fashioned way,  
I guess you've made a fool out of me,  
Time after time I was shure you were mine,  
I got lost between pleasuer and pain.

I lie awake, I can't find my way home,  
She hesitates, then makes me wait  
I'm drowning with emotion,  
Who's gonna help me now.

Repeat Chorus twice

I lie awake, I can't find my way home,  
She hesitates, then makes me wait  
I'm drowning with emotion,  
Who's gonna help me now.

Repeat Chorus twice
