

I can't exist anymore
till I destroy you
I hate everyone
Don't know what to do
Ingesting flesh and bone
makes me a cannibal
Or am I criminal?
I feel so horrible

Horrible!
Everything's horrible
Horrible

Sucking on colorforms
Becoming see through
Still hating everyone
as I detest you
I do not feel wrong
This makes me terrible
Or am I criminal?
I'm so damn horrible.

Horrible!
Everythings Horrible
Horrible

Fade into yesterday
Searching for my youth
Try to digest it all
Searching for the truth
Self centered devil spawn
This makes me durable
Or am I criminal?
I'm fucking horrible.

Horrible!
Everything's Horrible
Horrible

Horrible!
Everything's Horrible
Horrible
