Title: How deep is your love

download from: <http://www.lyricsdisc.com>

I know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wander far from me
I wanna feel you in my arms again

And you come to me on a summer breeze
Keep me warm in your love and then softly leave
And it's me you need to show...

How deep is your love?
I really need to learn
Cause we're living in a world of fools
Breaking us down
When they all should let us be
We belong to you and me

I believe in you
You know the door to my very soul
You're the light in my deepest darkest hour
You're my saviour when I fall

And you may not think
I care for you
When you know down inside
That I really do
And it's me you need to show...

How deep is your love?
I really need to learn
Cause we're living in a world of fools
Breaking us down
When they all should let us be
We belong to you and me

How deep is your love?
I really need to learn
Cause we're living in a world of fools
Breaking us down
When they all should let us be
We belong to you and me
