chorus

How many times you're gonna let him use you  
You'd think that you would know by now  
How could you let him treat you so bad  
How many times will you let him break your heart

verse 1

I heard he lied to you  
I heard your love he abused  
Don't say it isn't so  
I see it in your eyes  
It's something you can't hide

(chorus)

verse 2

He gives you lonely nights  
And he can hear you cry  
And love you he denies  
He's never gonna change  
He just can't accept the blame

(chorus)

bridge

Girl dry your eyes  
Get up off your face  
Don't be ashamed  
Find someone else new  
Someone who'll appreciate you  
Always love you  
How many times will he break your heart  
And I hope that you  
Feel the same way too  
Yes I pray that you  
Do love me too
