

How To Touch A Girl

Mmm

I think I could like you
I already do
Feelings can grow but
They can go away too
You're takin my hand
Lookin into my eyes
Don't be in a rush to
Get me tonight

i Feel somethin happenin
Could this be a spark?
To satisfy me baby
Gotta satisfy my heart

Do you know how to touch a girl?
If you want me so much
First I have to know
Are you thoughtful and kind?
Do you care what's on my mind?
Or am I just for show?
You'll go far in this world
If you know how to touch a girl

Do you know how to touch, know how to touch a girl?
Do you know how to touch, know how to touch a girl?

I think I could like you
But I keep holding back
Cause I can't seem to tell
If you're fiction or fact
Show me you can laugh
Show me you can cry
Show me who you really are
Deep down inside

Do you feel somethin happenin?
Could this be for real?
I don't know right now but tonight we'll reveal

Do you know how to touch a girl?
If you want me so much
First I have to know
Are you thoughtful and kind?
Do you care what's on my mind?
Or am I just for show?
You'll go far in this world
If you know how to touch a girl

Do you know how to touch, know how to touch a girl?
Do you know how to touch, know how to touch a girl?

Bring me some flowers
Conversation for hours
To see if we really connect
And baby if we do
Ooh I'll be givin all my love to you
Ohh

Do you know how to touch a girl?
If you want me so much
First I have to know
Are you thoughtful and kind?
Do you care what's on my mind?
Or am I just for show?
You'll go far in this world
If you know how to touch a girl

Do you know how to touch, know how to touch a girl? (Yeah, yeah)
Do you know how to touch, know how to touch a girl?

You'll go far in this world
If you know how to touch a girl
