Title: Human!

download from: <http://www.lyricsdisc.com>

Tears like dirty water stain
Crass is a union a struggle to maintain
Only frozen dogs have spent nights cold as mine
Hiding the shame godless and still
To reap the good first feel the pain
Am I human answer me
Take me as I am
And feel how I feel
Am I human answer me
Can you live with less
Please answer me
Judge me come close
Hexed by Mother Nature
