Title: I can see it in your eyes

download from: <http://www.lyricsdisc.com>

Can I get with you not in bed
Let me talk some sense into your head
Too many tales getting out of hand
How it got this far I don't understand

Who told you to
Go running to
All of my girlfriends while
Your scheming me and making plans

Who's coming to you from the heart
Was always there right from the start
Now you wanna leave and I don't know why

I can see it in your eyes
You can hide it they don't lie
I'm inside it so don't try
Don
