

(Keith Stegall/Dan Hill)

All I am, all I'll be
Everything in this world, all that I'll ever need
Is in your eyes, shining at me
When you smile I can feel all my passion unfolding

Your hand brushes mine
And a thousand sensations seduce me 'cause I

I do, cherish you
For the rest of my life
You don't have to think twice
I will, love you still, from the depths of my soul
It's beyond my control
I've waited so long to say this to you
If you're asking do I love you this much, I do

In my world before you
I lived outside my emotions
Didn't know where I was going
Until that day I found you
How you opened my life to a new paradise

In a world torn by change
Still with all of my heart, until my dying day

I do, cherish you
For the rest of my life
You don't have to think twice
I will, love you still, from the depths of my soul
It's beyond my control
I've waited so long to say this to you
If you're asking do I love you this much, yes I do

So, if you're asking if I love you this much, I do
Oh, I do
