---

I don't care about the job, I don't care about the things I do  
I don't care what I say and what you think of me, who cares fuck you

I don't give a shit... about you

I don't care about a thing, I'm gonna do what I gotta do  
I don't care about no one, I'm looking out for number one, so screw

And I don't give a shit... about you

I don't give a shit... about you

I don't care about a thing, I'm gonna do what I gotta do  
I don't care about no one, I'm looking out for number one, fuck you

I don't give a shit... about you
