

I don't want a lover
I just need a friend
I don't want a lover
I just need a friend
You can't just leave me
To face life on my own
I know you don't love me no more
I knew the time will come
Even when its cuts so deep
It's true I still want you
But the harder I try
The more I seem to lose

I don't want a lover
I just need a friend
I've had time to recover
Now that I know it wasn't love

It's always a derrerent story
When it's me who's in the wrong
But you can't have it all
Cause I'm the one who's strong
I've already been hurt before
Once but never again
I know the time will come
That's when you'll need me then

I don't want a lover
I just need a friend
I've had time to recover
Now I know it wasn't love

I don't want a lover
I just need a prayer
I know you never cared
Now that I know it wasn't love
You don't even care
About what I'm saying
You don't even think
What you're doing

All you see is what you want it to be
But in there's just no room for me
I don't want a lover
I just need a friend
I've had time to recover
Now that I know it wasn't love

I don't want a lover
I just need a prayer
I know you never cared
Now that I know it wasn't love
