

I had so many problems  
And then I got me a Walkman  
I really liked it a lot and  
They walked right in and they solved them  
They walked right in and they solved them

I heard Ramona sing  
And I heard everything  
The speed they're traveling  
They are the only thing  
Ramona

There were moments in the night  
It was all right  
There were moments in the night

I heard Ramona sing  
And I heard everything  
The speed they're traveling  
They are the only thing  
Ramona

I don't care if they're real or they're pseudo  
I don't care if they get any higher  
I hope if someone retires  
They pull another Menudo  
They pull another Menudo  
They pull another Menudo  
They pull another Menudo

There are moments in the night  
It was all right  
There are moments in the night

I heard Ramona sing  
And I heard everything  
The speed they're traveling  
They are the only thing  
Ramona
