Music... Music...

Ever since I can remember,  
I've always loved music.  
You know  
I didn't know anything about these titles  
until I started dealing with people like you - the media.

And they started givin' it names...  
Rock and Roll, Rhythm and Blues, Jazz

There's only two kinds of music  
Good and bad

I love music  
Music  
I love music  
I love music  
Music  
I love music  
I love music  
Music  
I love music  
I love music  
I love music... music
