Love you little girl  
Better than I love my  
Better than I love myself  
Want you and me  
Forever, ever and ever  
Just so far from home  
Just so far from home

Love you little girl  
Better than I love my  
Better than I love myself  
Want you and me  
Forever, ever and ever  
Just so far from home  
Just so far from home  
Love you little girl (4x's)
