---

Be honest with me  
Really you could be frank  
Come on and lay it on me  
Come on and validate me, me  
I need

Enough talk about me  
Let's talk about you  
What do you think of me?  
What do you think about me, me, me...

I need..  
What about my wants  
What about my needs  
I want..  
I need...
