Title: I really want you

---

I really want you  
I really want you now  
I really want you to really want me  
But I really don't know  
If you can do that  
I know you want to know I try  
But I know it's so hard  
For you to do that  
Time's running out as it often does  
And often dictates that you can't do that  
Fate can't break this feeling inside  
That's running out through my veins

I really want you  
I really want you now

repeat

I want you  
I want you now
