Title: I swear

download from: <http://www.lyricsdisc.com>

I swear
by the moon and the stars in the sky,
and I swear
like a shadow that's by your side...

I see the questions in your eyes,
I know what's weighing on your mind,
but you can be sure I know my part.
'Cause I'll stand beside you through the years,
you'll only cry those happy tears,
and though I'll make mistakes
I'll never break your heart.

Refrain

And I swear
by the moon and the stars in the sky,
I'll be there,
I swear,
like a shadow that's by your side,
I'll be there.
For better or worse,
till death do us apart
I'll love you with every beat of my heart.
And I swear, ooh.

I'll give you everything I can,
I'll build your dreams with these two hands,
we'll hang some memories on the wall.
And when just the two of us are there,
you won't have to ask if I still care,
'cause as the time turns the page
my love won't age at all.

Refrain 2x

I swear, oh, oh,
I swear.
