'Til my body is dust
'til my soul is no more
I will love you, love you
'Til the sun starts to cry
and the moon turns to rust
I will love you, love you

Chorus:

But I need to know - will you stay for all
time...forever and a day
Then I'll give my heart 'til the end of all
time...forever and a day

Chorus

'Til the storms fill my eyes
and we touch the last time
I will love you, love you...
