Title: I wonder where we'd be tonight

download from: <http://www.lyricsdisc.com>

Time is sure passin' slow, Lord it's only half past ten
One too many times tonight you just crossed my mind again
I just can't help but wonder why we had that final fight
And if we had be tonight

How would it be, would you still love the way you used to
Would you believe in me, could I still be inside the heart of you
Would you take me in your lovin' arms and make everything
