VERSE 1

If you see a crocodile in your bath tub,  
you shouldn't be afraid  
cause it is so strange.  
Just give it a cup of coffee and a good cigar.

VERSE 2

If there is a gorilla in your bike shed,  
just take it easy,  
it doesn't get cross,  
If it gets a couple of bananas and a biking trip.

VERSE 3

If there is a lion on your writing desk,  
you shan't run out and tell your mother.  
If you pat its back  
It won't do a thing.
