

I'll be the one
Who'll stand in the side
When your back's against the wall

I'll be the one
Who always will love you
I'll be the one
Who won't let you fall

Just reach out for me
And I'll give you my hand
I won't turn you away
I'll understand

I'll be the one
The one you can run to
I'll be the one
Who's always standing next to you

I'll be the one
When there's no one to turn to

I'll be the one
The one you can run to
I'll be the one
Who's always standing next to you

I'll be the one
When there's no one to turn to

I'll be the one
Who's always standing next to you

I'll be the one ...
