Title: I'll catch you

---

Can you sleep as the sound hits your ears  
one at a time?  
an unspoken balance here  
unabridged for so many years  
that I should stare at receivers  
to receive her  
isn't fair

don't worry, I'll catch you  
don't ever worry

your arms in mine, anytime  
I wouldn't trade anything-  
you're still my everything  
to my surprise, before my eyes  
you arrive

don't worry, I'll catch you  
don't ever worry

still breaking old habits  
when you pulled the wool over me  
I can see everything, everything  
remembering Jinx removing

don't worry, I'll catch you  
don't ever worry.

there's no need for reminding  
you're still all that matters to me
