

They think they know us
But they don't know us
In love there's nothing
That they can show us anymore
It's never been like this before

I'll make it clear
I love you dear

Just something simple
And unaffected
We're getting closer
Than we expected to be
It's me for you and you for me

I'll make it clear
I love you dear

Dear...
Dear...

Your life was darker
And I think you lost your way
Stumbled into your life
To brush the past away

I'll make it clear
I love you dear

Dear...
Dear...
Dear...
Dear...
