Uh oh, uh oh,
uh oh, uh oh

Honestly, If I tell, tell you what,
what you want to know love,
there ain't another, don't want no other lover,
I put nothing above ya, I kick them to the gutter
they try to shake me and they're call'n me crazy now,
look at us lately and tell'em whose your lady.

I never thought you'd be the one
that make me shine brighter than the sun
there ain't no ups and downs, no win and now to hear right now,

if you want me to stay, I'll never leave,
if you want me to stay, we'll always be,
if you want me to stay love endlessley,
if you want me to stay, if you want me to stay I'll never leave you

uh oh, uh oh,
uh oh, uh oh

Now all you're lovin back, we're happy it's a fact,
can nothing hold us back, we got this in the bag,
they're ain't no babies, no question love you daily now,
look at us lately, and tell 'm whose your lady

I never thought you'd be the one
that make me shine brighter than the sun
there ain't no ups and downs,
no win and now to hear right now,

if you want me to stay, I'll never leave,
If you want me to stay, we'll always be,
if you want me to stay love endlessley,
if you want me to stay, if you want me to stay I'll never leave you

uh oh, uh oh,
uh oh, uh oh
uh oh, uh oh,
uh oh, uh oh
