

They say in this world  
Nothing lasts forever  
But i don't believe that's true  
'Cause the way that I feel  
When we're together  
I know that's the way  
I'll always feel for you

From now until forever  
That's how long I'll be true  
I'll make you this vow  
And promise you now  
Until forever  
I'll never stop loving you

There'll come a day  
When the world stops turning  
And stars will fall from the sky  
But this feeling will last  
When the sun stops burning  
All I wanna do is love you  
Till the end of time

From now until forever  
That's how long I'll be true  
I'll make you this vow  
And promise you now  
Until forever  
I'll never stop loving you

It's gonna take more than a lifetime  
To give you all the love  
All the love i feel for you tonight

From now until forever  
That's how long I'll be true  
I'll make you this vow  
And promise you now  
Until forever  
I'll never stop loving you
