

Aint no grace
Aint nobody cryin
Aint no bottle water
Aint no smiling faces
Lyin to the senses

Help me
Oh somebody help me
Oh come on
I'll take you there
Oh help me
I'll take you there
Let me take you there
I'll take you there
Oh yeah
I'll take you there

Justins Rap

I'll take you there
Oh help me now
I'll take you there
Ooooh yeah
I'll take you there
Let me take you there
I'll take you there
Oh c'mon and get this emotion

I know there is
I'll take you there
Aint nobody cryin
I'll take you there
Aint no bottle water
I'll take you there
Aint no smilin faces
I'll take you there
Lyin to the senses
I'll take you there

Help me now
Somebody help me
I'll take you there

I'll take you there
Oh give it up
I'll take you there
Let me take you there
I'll take you there
Yeaaaaaah
I'll take you there
Oh I gonna take you there
