Title: I'll wait

download from: <http://www.lyricsdisc.com>

You've got me captured, I'm under your spell.

I guess I'll never learn.

I have your picture, yes I know it well.

Another page is turned.

Are you for real ? It's so hard to tell,
from just a magazine.

Yeah, you just smile and the picture sells,
look what that does to me.

Chorus:

I'll wait till your love comes down.

I'm coming straight for your heart.

No way you can stop me now,
as fine as you are.

I wrote a letter and told her these words,
that meant a lot to me.

I never sent it, she wouldn't have heard,
her eyes don't follow me.

And while she watches I can never be free,
such good photography !

chorus

(guitar solo)

You can't imagine what your image means.

The pages come alive.

Your magic greets everyone who reads.

Heart-break in overdrive

Are you for real, it's so hard to tell,
from just a magazine.

Yeah, you just smile and the picture sells,
look what that does to me.
