download from: <http://www.lyricsdisc.com>

Johnny's in America, low-tech's at the wheel
no-one needs anyone, they don't even just pretend
Johnny's in America

I'm afraid of americans
I'm arfraid of the world
I'm afraid I can't help it
I'm afraid I can't
Johnny's in America

Johnny wants a brain, Johnny wants to suck on a coke
Johnny wants a woman, Johnny wants to think of a joke
Johnny's in America

I'm afraid of americans
I'm arfraid of the world
I'm afraid I can't help it
I'm afraid I can't
Johnny's in America

Johnny's in America, Johnny looks up at the stars
Johnny combs his hair and johnny wants pussy and cars
Johnny's in America

I'm afraid of Americans
I'm arfraid of the world
I'm afraid I can't help it
I'm afraid I can't
Johnny's in America

God is an American
