Title: I'm gonna be strong

---

I can see you're slipping away from me  
And you're so afraid I'll plead with you to stay  
But I'm gonna be strong and let you go your way  
Our love is gone, there's no sense in holding on  
'cause your pity now would be too much to bear  
So I'm gonna be strong and pretend I don't care  
I'm gonna be strong and stand as tall as I can  
Yes, I'm gonna be strong and let you run along and take it like a man  
When you say it's the end I'll just hand you a line  
I'll smile and say Don't you worry, I'm fine  
And you'll never know, darling, after you kiss me goodbye  
How I'll break down and cry eye-eye-eye.
