Title: I'm real (Murder remix)

download from: <http://www.lyricsdisc.com>

Called you on the phone
Said Im coming through
Hope youre all alone
cause I got plans for you
We could stay at home or dance and hang all night
As long as Im with you
It doesnt matter what we do

Bridge:

Dont ask me where Ive been
Or what Im gonna do
Just know that Im here with you
Dont try to understand
Baby, theres no mystery
Cause you know how I am

Refrain

Im real, what you get is what you see
What you trying to do to me
You want to say your mine
Be with me all the time
Youre falling so in love
Say you just cant get enough
Youre telling all your friends
Shes a bad bad bitch

You like the way I dress
The way I wear my hair
Show me off to all your friends
Baby, I dont care
Just as long as you tell them who I am
Tell them Im the one that made you give a damn

Repeat bridge

Repeat refrain till fade out
