I make an impact on lives, through truth as well as lies I,
overcome your eyes, and leave an etched memory forever,

It's my gift,
my intentions, are!
only well, its my gift, fine!
fine! fine! fine!

I lead people everyday,
always in the correct way, never!
lead astray, and
leave an etched memory forever,

It's my gift,
my intentions, are!
only well, its my gift, fine!
fine! fine! fine!

an open mind is hard to find. (x4)
an open mind! is hard to find! (x3)
an open mind!

I make an impact on lives, through truth as well as lies I,
overcome your eyes, and leave an etched memory forever,

It's my gift,
my intentions, are!
only well, its my gift, fine!
fine! fine! fine!
