---

You're a butterfly  
and you want to be  
in flowers  
and you want to meet  
dalailama  
reach nirwana

because i love and you love me  
i just want you to be  
in flowers  
with me

i'm a little child  
and i want to be  
held in your arms  
any fool can see  
that it's nothing new  
that i need you

because i love and you love me  
i just want you to see  
the little child in me

there's a butterfly that's in my heart  
it lives in me when we're apart  
but prefably you stay with me  
because i love and you love me  
i just want you to be the butterfly in me
