

In my hour of need,  
Ha, no, you're not there  
And though I reached out for you,  
Wouldn't lend a hand

Through the darkest hour,  
Your grace did not shine on me  
Feels so cold, very cold,  
No one cares for me

Did you ever think I get lonely?  
Did you ever think that I needed love?  
Did you ever think, stop thinking  
You're the only one that I'm thinking of?

You'll never know how hard I tried  
To find my space and satisfy you too

Things will be better when I'm dead and gone  
Don't try to understand, knowing you, I'm probably wrong

But, oh how I lived my life for you,  
Till you'd turn away  
Now, as I die for you,  
My flesh still crawls as I breathe your name  
All these years, thought I was wrong,  
Now I know it was you  
Raise you head, raise your face, your eyes,  
Tell me who you think you are?

I walk, I walk alone  
To the promised land  
There's a better place for me  
But it's far, far away

Everlasting life for me  
In a perfect world  
But I got to die first,  
Please god send me on my way

Time has a way of taking time  
Loneliness is not only felt by fools  
Alone, I call to ease the pain,  
Yearning to be held by you  
Alone, so alone, I'm lost,  
Consumed by the pain  
The pain, the pain, the pain  
Won't you hold me again  
You just laughed, ha-ha, you bitch  
My whole life is work built on the past,  
The time has come when all things shall pass,  
This good thing passed away
