Title: In your room

download from: <http://www.lyricsdisc.com>

I love it in your room tonight
you're the only one
who gets through to me
in the warm glow
of the candlelight
oh i wonder what
you're gonna do to me

Come alive when i'm with you
i'll do anything you want me to
in your room

I love it in your room all day
when you're gone i like to
try and hold your clothes
you won't regret it
if you let me stay
i'll teach you everything
that a boy should know

come alive when i'm with you
i'll make all your dreams come true
in your room
